THE LOWRY

Discover an events venue like no other, where you'll find an iconic building and a variety of diverse spaces, all located within Greater Manchester's exciting waterfront location, Salford Quays.

Innovation has been at the heart of The Lowry from the very beginning – starting with our location. Formerly the site of a working dock, the area was transformed in 2000 when The Lowry became the first major organisation to make its home on Salford Quays.

Not only did we become a vibrant arts facility for the North West and a cultural landmark for the UK, the build kick-started a phenomenal urban regeneration story.

Today, we're one of the most popular cultural attractions in the North West, welcoming over 850,000 visitors every year. And, with our dedication to hosting ever more exciting and exceptional events for our clients, we're still breaking new ground.

Nestled within our vibrant venue, you'll find a large range of flexible event spaces accommodating between 20 - 1730 delegates. Buzzing with originality and creativity, The Lowry offers an inspiring backdrop to events that your guests will love.
