

EMTAS Coronaquilt Project - Imagine

As part of Refugee week 2020, Salford pupils were invited to join the **EMTAS Coronaquilt Project - Imagine** by making a square image using collage, paint, drawing, photography or text on the theme of **Imagine**. When things feel stuck; when the old ways of doing things are no longer working, that's what we need to do. In the era of Covid-19, the call to imagine feels more important than ever. 'To imagine' means to picture something you can't currently see, a better World where we come together to support each other and the vulnerable. To step beyond the current moment, and perceive something different. Rather than being a flight away from reality, imagination is sometimes the best response to it – the only way to get us somewhere new. The response was fantastic. There were 199 entries across all age groups including 13 schools, Salford College and Salford Foyer.

The overall winners were:

Age 5-11 yrs category:
A year 1 pupil from Summerville Primary School

Age 11+ category:
A year 11 pupil from St Patrick's RC High School

The project was run by Salford Ethnic Minority and Traveller Achievement Service (EMTAS) and was inspired by Art Refuge, a charity supporting displaced people through art and art therapy.

Why not attend an EMTAS Seminar to improve your practice?
