FOOD

The Village

The Lowry no longer operates a backstage canteen.

The Village is a backstage Green Room where visiting Company Members may meet and eat their own food. There are two vending machines which serve free hot drinks, fridges, microwaves and a Toaster.

As The Village is a shared area, we ask all Visiting Company Members to treat the space with respect and to clear up after themselves. There are bins and cleaning materials provided for this purpose.

Pier Eight

Pier Eight is The Lowry's restaurant and bar and with its stunning waterside setting overlooking Salford Quays and the Manchester Ship Canal, it's the perfect venue for a relaxed lunch, delicious pre-show meal or dinner out. The stylish yet informal atmosphere is matched with exceptional service and fresh, seasonal and contemporary British dishes.

Pier Eight Bar is the ideal place to relax and enjoy a drink before a performance. We offer a large range of draught and bottled beers, cask ales, cocktails and wine by the glass. We also have a fantastic range of gins, vodkas, whisk(e)ys and rums.

Our latest menus can be viewed online at www.piereightrestaurant.co.uk

Visiting companies receive 25% off post-show. Please let the bar staff know which performance you are working with.

Tower Coffee Shop

The **Tower Coffee Shop** has a range of coffees, teas and cold drinks together with a tempting selection of cakes, pastries and an extended hot and cold food menu including salads, paninis and jacket potatoes.

Theatre Bars

Our Quays and Circle Bars are open for pre-performance and during the interval for certain shows.

Talks on LS Lowry
Every day at 12pm and 2pm

The Lowry houses the largest public collection of paintings and drawings by LS Lowry in the world. Featuring some of his most famous and important works this exhibition shows an artist remarkable for his diversity and fearless innovation.

Claire Stewart, curator of The Lowry Collection at The Lowry, said: “We’re proud to house the world’s largest public collection of Lowry work – and in extending the exhibition in this way we further strengthening that position as the home of LS Lowry.

“Some of the new works on display haven’t been seen in public for many years and we are grateful to the owners for the opportunity to present them to our gallery visitors. This new exhibition will also look at Lowry’s contemporaries and highlight what life was like in Salford in the early 1900s.”

There are over 400 works in the collection, 57 of which are oil paintings. Alongside the works of art is an archive containing thousands of items ranging from photographs to press cuttings and exhibition catalogues. Both the collection and archive were formed by Salford Museum & Art Gallery and transferred to The Lowry in 2000. A selection of highlights from the Collection can always be seen on display in our permanent **LS Lowry - The Art & The Artist** exhibition alongside works on loan from important private collections throughout the UK.
