APPEAL

HELP US RAISE £5000 TO DELIVER  
**FREE** CREATIVE ARTS WORKSHOPS  
FOR PRIMARY SCHOOL CHILDREN.

Every pound we raise will be **DOUBLED** by Alison and Noel Copley, founders of The Copley Prize! Help school children to develop their imagination, spark their creativity and bring curriculum subjects to life.

£5

will pay for enough paper for art workshops for one class.

£10

will pay for art materials for mixed media workshops with one class.

£50

will pay for one class to have an exciting 3D modelling workshop.

£200

will pay for a professional LS Lowry specialist to visit a school for an entire day of Lowry filled art.

All pupils will have the chance to enter their artwork into The Copley Prize, with the winning creation hung in The Lowry Galleries for a year.

'I THOUGHT IT WAS FUN AND ALSO
